

## Industrial Engineering Curriculum Map

Effective August 2011

Name: \_\_\_\_\_

UIN: \_\_\_\_\_

Track Option: \_\_\_\_\_

<sup>1</sup> Rhett 105 is taken either the first or second semester of the first year, according to the student's UIN (RHET 105 in Spring if your UIN is Odd). SE 101 is taken the other semester.

<sup>2</sup> You must complete ECON 102 or 103 as one of your LEE selections.

<sup>3</sup> Students planning to take CS 225 or CS 411 as their CS elective should take CS 125 instead of CS 101.

<sup>4</sup> SE 494 and SE 495 are to be taken based on the student's UIN (Odd UIN is Spring; Even is Fall). These courses also complete the Advanced Composition requirement. All courses in the freshman, sophomore, and junior year should be completed prior to enrollment. Specific prerequisites are: SE 261, SE 290, IE 310, IE 311, and IE Technical Elective; and credit or concurrent registration in IE Engineering Science Elective. Must enroll concurrently in SE 495.
