

Teaching/Clinical Professor (Open Rank)
Industrial & Enterprise Systems Engineering
College of Engineering
University of Illinois at Urbana-Champaign

The Department of Industrial & Enterprise Systems Engineering at the University of Illinois at Urbana-Champaign invites applications for full- and part-time Teaching/Clinical Professor (Open Rank) positions. (If the position is less than 50%, the adjunct modifier will be added to the title.) Qualified individuals are needed to teach undergraduate courses in the areas of system engineering design, engineering graphics and design, computer aided product realization, emotional intelligence skills, manufacturing automation, and human factors engineering. In addition to teaching, the successful candidate(s) may also be called upon to hold office hours and provide academic advising to a subset of students in the department.

The University of Illinois is an Equal Opportunity, Affirmative Action employer. Minorities, women, veterans and individuals with disabilities are encouraged to apply. For more information, visit <http://go.illinois.edu/EEO>. To learn more about the University commitment to diversity, please visit <https://engineering.illinois.edu/about/diversity.html> and <http://inclusiveillinois.illinois.edu/>.

All successful candidates must have a PhD in Engineering or a related field, as well as demonstrated success in developing coursework, teaching effectively and mentoring/advising students. Ideal candidates include those who demonstrate evidence of a commitment to diversity, equity, and inclusion through teaching, and/or service endeavors. Successful junior candidates must exhibit exceptional promise and have interests in interdisciplinary research. Mid-career candidates are expected to be emerging leaders in their field, exhibit a strong record of publication and externally funded research, and participate in interdisciplinary collaborations. Senior candidates must have outstanding track records.

These positions are non-tenure track positions appointed on a 9-month service basis. The proposed start date for this position is August 16, 2019; however, may be sooner depending on the needs of the organization. Applicants may be interviewed before the closing date; however, no hiring decision will be made until after that date. Salary is commensurate with experience and qualifications.

To apply for this position, please create your candidate profile at <http://jobs.illinois.edu> and upload your cover letter, curriculum vitae, teaching statement, statement of service, diversity statement, representative teaching artifacts including syllabi and learning goals, laboratory exercises, and names/contact information for three references by March 1, 2019. In your cover letter, please specify your interest in full-or part-time employment. Full consideration will be given to complete applications received by the closing date. For further information regarding application procedures, contact Sarah McCarty at mcarty@illinois.edu or 217-244-1056.

The University of Illinois conducts criminal background checks on all job candidates upon acceptance of a contingent offer. We have an active and successful dual-career partner placement program and a strong commitment to work-life balance and family-friendly programs for faculty and staff (<http://provost.illinois.edu/faculty-affairs/work-life-balance/>).
